April 15, 2010

**Dear NALMA and NADMA Member:**

I hope this letter finds you well and that your new year is off to a great start. While making your plans for the year, please save some time to join us for the annual **NALMA and NADMA Workshop**. This year's workshop will be held **September 20-22, 2010** in **Dubuque, Iowa**.

The workshop will be a great opportunity for all North American DHIA Managers and North American Lab Managers to exhibit their products as well as reach field and lab managers across the United States and Canada. Tours of Dairy Lab Services and Swiss Valley Farms Dairy Plant will also be featured. Time will be set aside for a little fun and have a chance for workshop participants to visit with each other.

We anticipate another successful meeting this year, as we have had in the past with thanks to all of the businesses that provided support. The details for the workshop are below. If you have any questions, please contact Jere High, NALMA President or John Rhoads, Vice President, Jere – 888-202-3442 or [jere@lancasterdhia.com](mailto:jere@lancasterdhia.com), John – 877-357-5227 or [jrhoads@elsmilk.com](mailto:jrhoads@elsmilk.com)

**We hope to see you there!**

**What:** NALMA and NADMA Workshop, QCS Advisory Committee Meeting for Field Services and Laboratories.
